

Condensed Bio

Founded in 2003 by Javier Fernandez, Transitional Designs is a full-service interior design firm, designing client spaces in the New York, New Jersey and Palm Beach areas. At Transitional design, the design process begins with gaining a true understanding of the client's needs and goals. Javier's design approach is simple: listen to the client to achieve a design that will surpass their every expectation. As a client once said, "You took my design vision and elevated it to a level I could never have dreamed of." When your motto is "Everything is Possible" you truly understand how to make it happen.

Javier is best known for creating polished elegant spaces that are functional, family-friendly and always beautiful. His aesthetic is Transitional, perfectly blending Traditional and Contemporary Styles to achieve a timeless look. Javier has over 16 years of experience in high-end residential and commercial interiors. His work has been featured in design and lifestyle publications including *Bergen Magazine*, *201 Magazine*, *VUE* and *HGTV* blogs.
